

Kendra is standing outside of her car waiting for Timothy to arrive.

Timothy pulls up and gets out of the car.

TIMOTHY

Hey, so why did you want to meet here.

KENDRA

Isn't this where your wife works?

Timothy looks around...

TIMOTHY

Yea. why?

KENDRA

I'm not trying to blow up your spot or anything. All I want is to find my sister.

TIMOTHY

Trust me, I want to help you.

KENDRA

Good. So I want to talk to your wife about my sister.

TIMOTHY

She doesn't know anything.

KENDRA

I want to find out for myself.

Timothy looks around and notices her car is not there.

Kendra starts to walk towards the office. Nervously Timothy tries to block her.

TIMOTHY

She's not here.

KENDRA

How do you know?

TIMOTHY

I don't see her car...

Kendra stops to listen.

CONTINUED:

TIMOTHY

Please... my wife doesn't know anything.

KENDRA

I want to ask her for myself.

TIMOTHY

Please we're working on our marriage. This would undo everything I've worked hard to keep.

Kendra feels bad for him for a minute.

KENDRA

Look the only reason I'm entertaining this is because I don't like breaking up a happy home. But if my search brings me back here I will come back. I'm waiting on the lawyers to get me her password from IG company to get me access to my sister's social media page.

TIMOTHY

So you haven't seen her page?

KENDRA

She blocked me, and everyone in the family. So I'm not gonna stop till I find her.

TIMOTHY

I get it.

Kendra walks back to her.

KENDRA

(to Timothy)

Keep your phone close.

Kendra gets in the car and drives off.

Timothy watches her drive off then he looks around and wonders to himself why Ashley's car is not in the parking lot.
